

CALL FOR APPLICATION TO ATTEND THE TRAINING ON STANDARDS RELATED TO GENERAL MANAGEMENT OF LPG CYLINDERS

Referring to the law N° 50/2013 of 28/06/2013 establishing Rwanda Standard Board (RSB), and the law N°70/2019 of 10/01/2020 governing metrology in Rwanda, especially on its article 4 which stipulates that private bodies may provide metrology services;

Considering the National Strategy for Transformation (NST2) target of creating 1.2m productive and decent jobs for economic development and poverty reduction;

Rwanda Standards Board (RSB) is organizing a five-day training on standards related to general management of LP Gas cylinders which includes handling, transporting, storage, filling, and inspection of LP Gas cylinders and associated tare measurements designed for LPG dealers, and interested youth with at least an education background of Advanced diploma in STEM subjects.

In light of the above, RSB is pleased to call upon all interested bodies and independent participants to apply for this five-day training scheduled to take place from **11th to 15th November 2024** at **RSB Headquarters**. The interested participants are required to submit their applications by 30th October 2024.

The application form is accessed via the link: <https://forms.gle/mCqbVJMe4F7Xs8UUA>. Please note that organizations with more than one participant should fill in the form for each participant.

For the required costs and any other information, kindly contact **Mr. RWEGO Bright Ibrahim** through the mobile phone number: +250783020856 or email: bright.rwego@rsb.gov.rw.
