Implementation Training on Occupational Health and Safety Management Systems — Requirements with guidance for use based on RS ISO 45001: 2018

Rwanda Standards Board (RSB) is organizing an implementation training on **RS ISO 45001: 2018 Occupational health and safety (OH&S) management systems — Requirements with guidance for use.**

This standard is applicable to any organization that wishes to establish, implement and maintain an OH&S management system to improve occupational health and safety, eliminate OH&S hazards and minimize OH&S risks (including system deficiencies), take advantage of OH&S opportunities, and address OH&S management system nonconformities associated with its activities.

Through this training, participants will be equipped with knowledge and skills that will assist them to understand the requirements of RS ISO 45001: 2018 for effective establishment, implementation and maintenance of occupational health and safety management systems for continual improvement.

In this regard, RSB is pleased to call upon all interested organizations and independent participants to apply for the five-day training to be conducted from **17th to 21st February 2025** at **Hotel Mater Boni Consilii in Huye district**. Interested participants are required to submit their applications by **4th February 2025**.

The application form is accessed via the link: <https://forms.gle/btu1PN3xsFcqLFcE9>. Please note that organizations with more than one participant should fill in the form for each participant.

For the required costs and any other information, kindly contact **Mrs. MUKABAYIZERE Denyse Joy** through the mobile phone number: +250788212673 or email: dj.mukabayizere@rsb.gov.rw.
