

**ANNOUNCEMENT TO MANUFACTURERS AND TRADERS OF
WEIGHING SCALES AND BALANCES**

Pursuant to the Law N° 70/2019 of 10/01/2020 governing Metrology in Rwanda, Rwanda Standards Board (RSB) informs manufacturers and traders of weighing scales and balances to be used in trade transactions or for medical purposes that the measuring equipment should bear the following and undergo technical verification prior to being admitted in use:

1. Type approval certificate issued by a competent authority in the country of origin,
2. Measuring instrument Technical manual,
3. Measuring instrument's evaluation report
4. Manufacturer's information for the weighing instrument or its parts:
 - a) Manufacturer/Trade mark
 - b) Country of origin
 - c) Type/ Model
 - d) Serial number
 - e) Weighing capacity (Max, Min, d/e, ...)

RSB appreciates our good collaboration to ensure the use of accurate measurements.
